We all need connection.

Partner with KVC Health Systems, and you'll be strengthening families, preventing child abuse and neglect, and helping people experience mental health wellness. Every day you'll connect children in crisis to caring adults who can provide support, stability and love. You'll provide the opportunity for a parent to learn skills to overcome substance abuse and other challenges and for a child to heal from trauma, mental illness or other adversity.

Join us in creating a world in which every person is safe and connected to a strong family and a healthy community.

National Impact in 2023

409 children matched with loving adoptive families last year

6,580 children matched with loving adoptive families in our agency's history

4,849 children in foster care were cared for by relatives and foster families

565 children safely reunified with their parents after foster care
